Outcome 2	Increased support for human rights and anti-discriminatory practice	Number of institutions introducing human rights perspective in their activities and/or internal regulations
		Number of beneficiaries of services provided in area of human rights (including GBV) (disaggregated by gender)
		Share of target group favourable to human rights (disaggregated by gender, age)
Output 2.1	Education on human rights and equal treatment provided	Number of people trained in human rights (disaggregated by age)
		Number of CSOs providing education on human rights
Output 2.2	Awareness on human rights and equal treatment increased	Number of awareness-raising campaigns on human rights conducted (including GBV)
		Number of people reached through awareness-raising campaigns on human rights (including GBV)
Output 2.3	Implementation of human rights and rule of law monitored	Number of CSOs registering & reporting human rights and rule of law violations
		Number of monitoring initiatives on human rights & rule of law carried out by CSOs
Output 2.4	CSOs involved in advocacy for improvement of policies and practices regarding human rights and rule of law protection	Number of CSOs engaged in advocacy work on human rights and rule of law protection
		Number of entities cooperating in advocacy activities on human rights
Output 2.5	Legal aid and counselling services made available for persons experiencing	Number of CSOs providing services for persons experiencing discrimination and human rights violations (including GBV)

Number	Expected programme results	Indicator
	discrimination and human rights violations	
Outcome 3	Increased empowerment of vulnerable groups	Number of institutions introducing new/improved methods/services to address the needs of vulnerable groups
		Number of vulnerable people reached by empowerment measures
		Number of beneficiaries of services provided or improved
Output 3.1	New or improved methods and approaches of inclusion of vulnerable groups into community promoted	Number of new or improved methods developed to address the needs of vulnerable groups
		Number of communities introducing new methods/approaches of inclusion of vulnerable people
Output 3.2	Members of vulnerable groups trained or engaged in advocacy for their needs	Number of institutions partnering with CSOs in engaging members of vulnerable groups in advocacy for their needs
		Number of vulnerable individuals and their carers trained/ engaged in advocacy for their needs (disaggregated by gender)
Output 3.3	Education and support for vulnerable groups provided	Number of vulnerable individuals participating in educational activities
		Number of CSOs providing education and support to vulnerable groups
Output 3.4	New or improved methods /services to address the needs of vulnerable groups developed	Number of individuals working with vulnerable groups trained in the use of new/ improved methods to address their needs (disaggregated by gender)
Outcome 4	Enhanced capacity and sustainability of civil society (organisations and the sector)	Number of CSOs with improved organizational capacities at least in one of the following areas: management standards and procedures, communication, fundraising, transparency and accountability, monitoring and evaluation[2]
		Number of joint initiatives conducted by CSOs in collaboration with other CSOs
		Number of national and local policies and laws concerning CSOs influenced
Output 4.1	Capacity building provided to CSOs	Number of CSOs participating in learning initiatives funded by the programme (disaggregated by Type of learning initiative)

Number	Expected programme results	Indicator
		Number of CSOs conducting an assessment of selected areas of their organizational capacity and management standards
Output 4.2	Organisational capacity and sustainability of CSOs supported	Number of CSOs and informal groups benefiting from capacity building services and support offered within sectoral projects
		Number of CSOs (project promoters for Outcomes 1, 2, 3 and 4) implementing capacity building plans funded by the programme
Output 4.3	Partnerships and collaboration among CSOs and other entities supported	Number of partnerships between different CSOs supported
		Number of partnerships between CSOs and private entities supported
		Number of partnerships between CSOs and public entities supported
		Number of coalitions, networks and platforms of CSOs supported
Output 4.4	Monitoring and advocacy campaigns aimed at preventing deterioration of legal and policy environment for CSOs actions conducted	Number of monitoring law and policy initiatives conducted on national, local and subsectoral level
		Number of advocacy campaigns and other initiatives conducted on national, local and subsectoral level
Output 4.5	Citizens awareness of CSOs' role and need for supporting them raised	Number of awareness raising campaigns and other actions conducted on national and local level
		Number of people reached through awareness raising and promotional activities
Bilateral outcome	Enhanced collaboration between beneficiary and donor state entities involved in the programme	Level of trust between cooperating entities in Beneficiary States and Donor States (disaggregated by State type)
		Level of satisfaction with the partnership (disaggregated by State type)
		Share of cooperating organisations that apply the knowledge acquired from bilateral partnership (disaggregated by State type)

Number	Expected programme results	Indicator
		Share of participants in bilateral initiatives financed from ACF-N bilateral fund reporting improved knowledge/methods/approaches (disaggregated by State type)
Bilateral output 1	Partnerships between beneficiary and donor state entities supported	Number of projects involving cooperation with a donor project partner (disaggregated by Donor State)
Bilateral output 2	Cooperation between beneficiary and donor state entities facilitated	Number of bilateral cooperation initiatives financed from the ACF-N bilateral fund (disaggregated by Donor State)
		Number of individuals participating in bilateral activities financed from the ACF-N bilateral fund (disaggregated by Donor State)
Regional civil society initiatives outcome	Strengthened regional (cross-border) cooperation in the civil society sector	Share of CSOs with improved knowledge from regional cooperation
		Number of initiatives jointly implemented by entities across borders
Regional civil society initiatives output 1	Strengthened regional (cross-border) cooperation in the civil society sector	Number of CSOs participating in regional cooperation
		Number of participants in events funded by the regional civil society initiatives fund (disaggregated by gender)
